Glossary:

The Bank is Eurasian Bank.

Business Lounges - free access to business lounges at airports around the world (under the Lounge Key and DragonPass Programs) is provided within the premium segment card. For holders of Mastercard World Elite and Visa Infinite cards (subject to card turnover), visits are provided without restrictions. For holders of Mastercard World Black Edition and Visa Signature cards (subject to card turnover), 10 visits per year are provided. The cost of access for an accompanying person / if the limit for visits on Mastercard World Black Edition cards is exceeded is \$ 35 and Visa Signature is \$ 32 (per visitor, per visit). More about the service: for Visa cards – https://www.visa.com.kz/ru_KZ/pay-with-visa/promotions/airport-lounge-access.html, for Mastercard – <https://www.loungekey.com/ru>.

Card is a payment card issued by the Bank that allows the cardholder to conduct card transactions.

Client is an individual using the Card.

The reporting period is the last calendar day of a calendar month.

NPC is a transaction of transferring funds between cards serviced by the National Payment Card System.

TSE - trade and service enterprises.

The «Eurasian Bank» mobile app is the «Eurasian Bank» remote individual banking system.

Current account is an individual account for conducting settlement transactions, without using Cards.

A savings account is an individual account for storing money and getting interest on the balance.

Family members - parents, adoptive parents, spouse, adult children, full- and half-siblings, as well as other relatives classified as family members of the Client;

Affluent is a product that is produced for the Affluent Category clients. Affluent group of clients includes clients and one member of their family who joined the Standard Terms of Provision of Banking and Other Services of Eurasian Bank JSC (the Adhesion Contract) (hereinafter referred to as the Standard Terms/the Adhesion Contract) and corresponding to one of the following features:

1) with the balance on the current and/or savings account in total:

a) from 30, 000, 000 (thirty million) tenge or equivalent in another currency for Almaty and Astana Bank Branches;

b) from 20, 000, 000 (twenty million) tenge or equivalent in another currency for other Bank Branches.

2) receive salaries to a card or current account in the amount of 1, 000, 000 (one million) tenge or more for the last 3 months prior to the reporting period;

3) paid the Affluent Program service fee;

4) clients who reduced their current and/or savings account balances in the aggregate as of the reporting period within 20% (inclusive) from 30, 000, 000 (thirty million) tenge or equivalent in another currency for the Almaty and Astana Bank Branches, and from 20, 000, 000 (twenty million) tenge or equivalent in a different currency for other Bank Branches, provided that they restore the balances on the current and/or savings account in aggregate by the end of the month following the reporting month;

In the case of a combined current and/or savings account below 20% (inclusive) from 30, 000, 000 (thirty million) tenge or equivalent in another currency for the Almaty and Astana Bank Branches and below 20% from 20, 000, 000 (twenty million) tenge or equivalent in another currency for other Bank Branches, has been in the account for less than 30 consecutive calendar days, or the salary changed towards a decrease, in the current month, the Bank shall charge and debit a monthly card maintenance fee. The monthly card maintenance fee is charged and debited by the Bank during the reporting period. Only 1 basic card and 1 additional card (for family members) are provided for one opened savings account under preferential terms. The card service monthly fee amount is changed within 10 business days from the moment the client contacts the Bank Outlet/Branch with the Application for changing the terms of service. Preferential terms are provided from the date of execution of the client's Application.

In the event that the client does not comply with the term, the preferential term of the monthly card maintenance is terminated. In order to resume the preferential terms, the client must contact the Bank Outlet/Branch again with the Application for changing the terms of service.

Notes:

¹Including VAT.

²Is deducted once a year.

³In some cases, the bank servicing the ATM may charge an additional fee for cash withdrawal.

⁴In case of successful execution of this operation, the number of incorrect PIN-code attempts is automatically reset in the «Eurasian Bank» RBS, provided that they accumulate, and no fee is charged for resetting the PIN-code counter.

⁵One additional Visa Gold/Mastercard World card, an insurance certificate for the basic cardholder and a concierge service for the basic cardholder - for free.

⁶In some cases, the bank servicing the ATM may charge an additional fee for cash withdrawal.

⁷ If the client has a Salary Card (for the head) and they meet the requirements for the Affluent clients, it is allowed to issue a Mastercard World Elite/Visa Infinite plastic card using Salary Card fees (for the head).

⁸With the exception of a savings account, accounts designated for crediting aids, social benefits paid from the state budget and (or) the State Social Insurance Fund, or pensions paid from the state budget and (or) the unified saving pension fund, and (or) the voluntary saving pension fund, as well as alimony (money, intended for maintenance of minors and disabled adult children).

⁹Monthly payment of 0 tenge is applied if:

1) the balance on the current and/or savings account in total:

a) from 30, 000, 000 (thirty million) tenge or equivalent in another currency for Almaty and Astana Bank Branches

b) from 20, 000, 000 (twenty million) tenge or equivalent in another currency for other Bank Branches.

2) receive salaries to a card or current account in the amount of 1, 000, 000 (one million) tenge or more for the last 3 months prior to the reporting period;

3) paid the Affluent Program service fee;

4) clients who reduced the thresholds under s.p. a) and b) by 20% as of the reporting date, provided that they restore the thresholds by the end of the month following the reporting month.

¹⁰Is deducted from the payment card account.

After Like IT Credit Bonus Card is a product that is not issued to new clients. The terms of this product are valid only for existing clients who have already been issued cards under this product, with the possibility of reissuing the card, or transferring from the terms of this product to the terms of a new product. The card account is maintained in tenge. The annual maintenance fee is deducted from the credit limit automatically at the time of the first transaction using the PIN-code. When the account and card are closed, the account maintenance fees are not refunded to the client. The conversion of funds to conducting transactions in a currency other than the account currency is performed at the purchase and sale rate of foreign currency set by the Bank on the day of the transaction. The statement on the basic and additional card is provided to the holder of the basic card. Grace period is the period from the date of the debt occurrence to the end date of the payment period, during which no interest is accrued or charged for the use of the loan, provided that the total debt calculated on the settlement date is repaid before the end date of the payment period. The grace period applies to operations: for payment of goods and services at TSE, for casino payments, and for customs payments.

InstantBank Credit Card is a product that is not issued to new clients. The terms of this product are valid only for existing clients who have already been issued cards under this product, with the possibility of reissuing the card, or transferring from the terms of this product to the terms of a new product. The annual maintenance fee is deducted from the credit limit automatically at the time of the first transaction using the PIN-code. All fees are deducted from the credit limit automatically. Grace period is the period from the date of the debt occurrence to the end date of the payment period, during which no interest is accrued or charged for the use of the loan, provided that the total debt calculated on the settlement date is repaid before the end date of the payment period. The grace period applies to operations: for payment of goods and services at TSE, for making payments via an ATM, for casino payments, and for customs payments. The fees under the Cashback MasterCard Loyol Credit Card product correspond to the fees of the Eurasia Loyol Credit Card.

Grace period is the period from the date of the debt occurrence to the end date of the payment period, during which no interest is accrued or charged for the use of the loan, provided that the total debt calculated on the settlement date is paid off before the end date of the payment period. The grace period applies to operations: payment for goods and services at trade and service enterprises, making payments via ATM, casino, customs payments.

The Vanilla Package, Standard Package, Premium Package, and the Premium Individual Package are products that are not issued to new clients. The terms of this product are valid only for existing clients who have already been issued cards under this product, with the possibility of reissuing the card, or transferring from the terms of this product to the terms of a new product. In the current month the amount on deposit of 10 million tenge or equivalent in foreign currency or more has been in the account for less than 30 consecutive calendar days, the Bank in the current month charges and debits a monthly card maintenance fee. The monthly card maintenance fee is charged and debited by the Bank on the last calendar day of a calendar month. For one opened deposit, there is only 1 package of cards under preferential terms. The card service monthly fee amount is charged within 10 business days from the moment the client contacts the Bank Office/Branch with the Application for changing the terms of service. Preferential terms are provided from the date of execution of the client's Application. If the client does not meet the following terms: the deposit amount is 10 million tenge or equivalent in foreign currency or more, and the period of time this amount remains in the account is at least 30 consecutive calendar days, then the preferential terms for monthly card servicing ceases to be valid. In case of replenishment of the deposit up to 10 million tenge or equivalent in a foreign currency or more, in order to resume preferential terms, the client must re-contact the Bank Office/Branch with the Application for changing the terms of service.

***Glossary:**

The Bank is Eurasian Bank.

NBRK is the National Bank of the Republic of Kazakhstan.

NPC is an operation of transferring funds between cards serviced by the National Payment Card System

Eurasian Bank RBS is the Eurasian Bank Remote Banking System for individuals.

Note to S. 1.:

¹Starting from 12.05.2022, the Private Banking Package is not issued to new clients.

The terms of this product are valid only for existing clients who have already been issued cards under this product. From 10.02.2025, the card is reissued under the terms of the Private Banking Infinite/Private Banking MC World Elite Package.

²The limit specified in the tariff is the total amount of the account opened as part of the Package.

³In case of successful execution of this operation, the number of incorrect PIN-code attempts is automatically reset in the «Eurasian Bank» RBS, subject to their accumulation, while no commission is charged for resetting the PIN-code counter.

⁴In some cases, the bank servicing the ATM may charge an additional fee for cash withdrawal.

⁵The fee is valid only for one (1) card, that is, one (1) client can open only one (1) card, regardless of the account balance.

⁶Prohibited: payments and (or) money transfers in favor of electronic casinos and online casinos, as well as payments and (or) money transfers by individuals under the age of twenty-one in favor of gambling business, including receiving money from these categories of entities.

⁷Card account is the client's bank account that records transactions for payments and/or money transfers made using a payment card.
