Limits on bonus accrual				
Name of bonus accrual limit ²	Mastercard Gold/Mastercard World/Visa Gold/Visa Platinum/Mastercard Standard/Visa Classic (including additional cards of these card types, regardless of the card product/package)	Visa Signature/Mastercard World Black Edition (including additional cards of these card types, regardless of the card product/package)	Visa Infinite/Mastercard World Elite (including additional cards of these card types, regardless of the card product/package), Diamond credit card	Private Banking Package Metal Card: Mastercard World Elite/Visa Infinite,
Monthly limit	30 000 bonuses	50 000 bonuses	70 000 bonuses	170 000 bonuses

¹An additional bonus is applied for retail transactions, provided that the aggregate amount on deposits of an individual customer is from 1,500,000 to 5,000,000 tenge (1% of bonuses) or over 5,000,000 tenge (2% of bonuses) three (3) business days before the relevant retail transaction. Bonuses are accrued only on deposits in the tenge currency.

²Limits on the accrual of bonuses apply to one Participant, regardless of the number of cards, incl. other card products. If the Participant has several types of cards and conducts transactions on them, the maximum limit on the accrual of bonuses is determined as the difference in limits between the card with the highest limit and the actually used limits of other cards. For additional cards, bonuses are credited to the bonus account of the main cardholder.
