**The Aber Like IT Credit Bonus Card** is a product that is not issued to new customers. The terms of these products are valid only for existing customers who have already been issued cards for this product, with the possibility of reissuing the card, or transferring from the terms of this product to the terms of a new product. The card account is maintained in tenge. The annual maintenance fee is deducted from the credit limit automatically at the time of the first transaction using the PIN code. When the account and card are closed, the account maintenance fees are not refunded to the customer. The conversion of funds during transactions in a currency other than the account currency is conducted at the exchange rate of purchase and sale of foreign currency set by the Bank on the day of the transaction. The statement of the main and additional cards is provided to the main cardholder. Grace period - the period from the date of debt occurrence to the end date of the payment period, during which no remuneration for using the loan is accrued or charged, provided that the total debt calculated on the settlement date is repaid before the end date of the payment period. The grace period applies to operations: for payment of goods and services at the TSE, for making payments via ATM, casino payments, for casino payments.

**An installment credit card** is a product that is not issued to new customers. The terms of these products are valid only for existing customers who have already been issued cards for this product, with the possibility of reissuing the card, or transferring from the terms of this product to the terms of a new product.

**Eurasian credit card** is a product that is not issued to new customers. The terms of these products are valid only for existing customers who have already been issued cards for this product, with the possibility of reissuing the card, or transferring from the terms of this product to the terms of a new product. The annual maintenance fee is deducted from the credit limit automatically at the time of the first transaction using the PIN code. All fees are deducted from the credit limit funds automatically. Grace period - the period from the date of debt occurrence to the end date of the payment period, during which no remuneration for using the loan is accrued or charged, provided that the total debt calculated on the settlement date is repaid before the end date of the payment period. The grace period applies to operations: for payment of goods and services at the TSE, for making payments via ATM, casino payments, for casino payments. The tariffs for the product CashBack MasterCard Loyalty Card correspond to the tariffs of the Eurasian Loyalty Card.

**Grace period** - the period from the date of debt occurrence to the end date of the payment period, during which no remuneration for using the loan is accrued or charged, provided that the total debt calculated as of the settlement date is repaid before the end date of the payment period. The grace period applies to operations: payment for goods and services at trade and service enterprises, making payments via ATM, casino, customs payments.
