Bank

Travel and leisure in comfort
with access to over 1400
Business Lounges worldwide

Learn more about access updates from July 1, 2025

From July 1, 2025*, the rules for access to Lounge Key, CIP lounge at Astana airport and Mastercard lounge at Shymbulak ski resort will be updated.

Mastercard Premium cardholders will benefit from access to the these Lounges by meeting the following monthly turnover criteria:

World Elite
150 000 tenge/per month

World Black Edition
100 000 tenge/per month

*Cardholders are entitled to a welcome period (30+7 calendar days) in which they are granted access to the Lounges in accordance to previous rules without monthly turnover verification. After this date, the new rules will be applied.

Turnover calculation method

30 days of card turnover verification

Calculation for 5 working days
plus weekends, which are not included
in the turnover verification

Flight date

Access to the service is provided on the condition that the transactions amount for the last **30+7 calendar days prior to the trip meets the verification turnover criteria.**
Only purchase transactions are taken into account excluding gambling of any kind.

Transactions that are not taken into account:

- any purchases in cash, including cash withdrawals at an ATM or bank office;
- card to card transfers;
- purchases with cheques;
- insurance premiums;
- interest, any commissions or fees;
- traveler's cheques.
